

Accountable Talk - Discussion Tracker

Track the thinking that moves the conversation forward, not just the number of times someone speaks.

QUESTION / TASK

NAME

IDEAS I BUILT ON OR CHALLENGED

Whose idea did you respond to? How did your contribution change or extend it?

EVIDENCE / KNOWLEDGE USED

Which facts, text details, examples, data, or disciplinary knowledge entered the discussion?

REASONING THAT GOT STRONGER

Where did someone explain a link, justify a claim, test an assumption, or revise?

NEXT DISCUSSION GOAL

What talk move would make the next conversation more rigorous or inclusive?
