

Fishbowl - Role Cards

Cut apart as optional reminders for inner-circle speakers and outer-circle listeners.

INNER CIRCLE - CONTRIBUTE

Listen first. Add an idea, question, connection, or evidence. Leave space for others.

INNER CIRCLE - BUILD

Refer to another speaker accurately before extending, challenging, or complicating the idea.

OUTER CIRCLE - LISTEN

Track the thinking. Notice strong evidence, useful questions, and how ideas connect.

OUTER CIRCLE - PREPARE

Identify one idea or question worth bringing into the next round. Do not just score speakers.
