

Peer Instruction - Concept Question

Commit to an answer individually, explain your reasoning to peers, then answer again after discussion.

CONCEPT QUESTION _____

NAME _____

1. FIRST ANSWER

My choice / answer: _____ Why I think it is correct:

2. PEER REASONING

What reasoning, evidence, representation, or counterexample did a peer offer?

3. SECOND ANSWER

My answer after discussion: _____ What changed or became clearer?

4. CONCEPT CHECK

Explain the underlying concept without referring only to the answer choice. What would transfer to a similar problem?
