

Socratic Discussion - Preparation

Prepare ideas, evidence, and genuine questions so the discussion can build understanding rather than become recitation.

TEXT / ISSUE

NAME

CENTRAL QUESTION

What important, open question should the group explore?

TEXT / EVIDENCE TO BRING

Which details, examples, quotations, data, or experiences could deepen the discussion?

QUESTIONS I CAN ASK

Write questions that clarify, probe reasons, test assumptions, connect ideas, or invite another interpretation.

IDEAS I MAY REVISE

What is your current thinking? What evidence or argument could make you change it?
