

Problem-Based Learning - Know / Need / Plan

Define the problem before racing toward a solution.

PROBLEM / CHALLENGE

TEAM

WHAT WE KNOW

Facts from the problem, relevant prior knowledge, and evidence already available.

WHAT WE THINK / ASSUME

Ideas that may be true but still need checking.

WHAT WE NEED TO LEARN

Questions and knowledge gaps that block a strong response.

HOW WE WILL FIND OUT

Sources, data, observations, calculations, experts, tests, or other evidence.
