

Strategic Learning

Plan, monitor, adjust, and evaluate how you approach a learning task.

TOPIC / TASK

NAME

PLAN

What is the goal? What do I know? Which strategy fits?

MONITOR

Is this working? What is confusing? What evidence do I have?

ADJUST

What will I change, retry, slow down, or ask about?

EVALUATE

What worked? What will I reuse or change next time?

MY NEXT STRATEGIC MOVE

State the next action you will take.
