

Dictation & Reconstruction

Listen for meaning, capture key language, reconstruct collaboratively, then compare.

TOPIC / TASK

NAME

1. LISTEN

Focus on overall meaning.

2. KEY NOTES

Capture words / phrases only.

3. RECONSTRUCT

Build the text with a partner.

PARTNER RECONSTRUCTION

Use your combined notes. Aim for meaning and accurate language, not perfect memorization.

COMPARE + REVISE

Compare with the source. What language choices or structures did you notice?
