

Realia & Manipulatives

Use real objects to make language and content more concrete, then move toward independence.

TOPIC / TASK

NAME

OBJECT / MANIPULATIVE

What is it? Handle, inspect, measure, sort, or position it.

WORDS + PHRASES

Names, attributes, actions, comparisons, and useful sentence stems.

NOTICE / COMPARE

What do you observe? How is it similar or different?

USE THE LANGUAGE

Explain, describe, classify, sequence, or solve using the object.

TRANSFER WITHOUT THE OBJECT

Can you explain or apply the idea when the concrete support is removed?
