

# Total Physical Response - Action Cards

Pair spoken language with a consistent physical action, then vary commands and contexts.

TOPIC / TASK \_\_\_\_\_

NAME \_\_\_\_\_

Cut the cards. Add a target word/phrase and a clear physical action or gesture.

|                                                                       |                                                                       |                                                                       |                                                                       |
