

Compass Points

Examine a proposal from several angles before deciding what you think.

IDEA / PROPOSAL _____

NAME _____

The diagram is a circular compass with four quadrants, each represented by a rounded rectangle. The quadrants are labeled with a letter and a question. The top quadrant is blue and labeled 'N NEED TO KNOW'. The right quadrant is green and labeled 'E EXCITED'. The bottom quadrant is purple and labeled 'S STANCE / STEP'. The left quadrant is orange and labeled 'W WORRISOME'. Each quadrant contains a question and two horizontal lines for writing.

N NEED TO KNOW
What information would help you judge the idea?

E EXCITED
What looks promising or valuable?

S STANCE / STEP
Where do you stand now, or what should happen next?

W WORRISOME
What risks, weaknesses, or concerns do you notice?
