

Sentence-Level Language Routines

Combine, deconstruct, and expand sentences to make meaning clearer.

CONTENT / TOPIC

NAME

ORIGINAL SENTENCE(S)

Use a sentence from current reading, writing, science, math, or social studies.

DECONSTRUCT

Who/what? What is happening? When/where/how/why? How are ideas connected?

EXPAND

Add precise information without changing the core meaning.

COMBINE

Merge related ideas. Try more than one version and compare emphasis.
